

Parking visitors

Longines FEI European Championships Jumping, Dressage & Para-Dressage 2019

Visitors for the Longines FEI European Championships Jumping, Dressage & Para-Dressage 2019 can park at the Boezembocht, entrance via Rolf Hartkoornweg. You can park your car here and afterwards get dropped off at the entrance of the EC with the shuttle bus; the bus stop to get off on your way back is the same as the stop you get on at the parking lot. For this parking lot you are required to buy a ticket in advance through our website.

From the A16 in the direction Dordrecht, take exit 27 Prins Alexander and at the bottom of the exit, turn right. From here on you can already follow the signs 'FEI EC Visitors'.

From the A20 in the direction Utrecht, take exit 16 Capelle a/d IJssel and at the bottom of the exit, turn left. From here on you can already follow the signs 'FEI EC Visitors'.

From the A20 in the direction Den Haag, take exit 15 Crooswijk and at the bottom of the exit, turn right. From here on you can already follow the signs 'FEI EC Visitors'.

Upon arrival you have to follow the signs and instructions of the traffic wardens. When entering the parking lot, you are required to show your parking ticket. After parking your car you can get on the shuttle bus.

Parking tickets can be bought in advance (www.rotterdam2019.com/tickets) or, if available, from the traffic wardens when entering the parking lot. First come, first served.

Tip: buy your parking ticket online. Easy, fast and cheaper.

You did **not** buy a parking ticket in advance? Keep an eye out on our website for the current status. It's possible that the parking lot will be full and you will be send to another parking lot.

The parking lot opens 1.5 hours before the start of the program every day and closes every day at 23.45 (on Sunday the parking lot closes at 19.30).

We hope that you will enjoy the Longines FEI European Championships Rotterdam 2019.
